

Dynamic Audio Portfolio

Designed for the rugged environment of heavy-duty application, Taoglas SPKA/SPKR series of speakers deliver long-lasting pure and true sound. Our dual-cone, 8-Ohm, full range high sensitivity speaker series provides distortion-free audio, high-fidelity, high-power handling and is a low-cost solution for car, agriculture, truck, and RV applications.

For electronic and IoT devices, the Taoglas SPKM range of dynamic audio miniature speakers deliver long-lasting pure and true sound, critical for products that require clear audio output. With an 8 Ohm rating, the miniature speakers have high sensitivity and are ideal solutions for applications requiring audio such as Smart Home and Security, IoT Devices or Toys.

SPKA/ SPKR Series

Specifications:

- High sensitivity
- Dimension
- 8 ohm impedance
- High power ratings
- Fully reliability tested
- RoHS & Reach compliant
- High power ratings

Typical Applications:

- Public transportation
- Plant and Agri machinery
- Heavy duty trucker
- Smart building automation
- Digital signage

SPKA/ SPKR Series			
	Product number	Description	Dimensions
	SPKR.10.4.A	Our 4 Ohm High power 10 inch (244mm) diameter subwoofer is a high sensitivity speaker series. It delivers a distortion-free, high fidelity audio and it can handle power b	Ø244*116mm
	SPKR.6.8.A	Our 8-Ohm 6-inch round dual-cone, full range high sensitivity speaker series provides distortion-free audio, high fidelity, high power handling and is a low-cost solution for car, truck, and RV applications. It is also primed for IoT applications such as Smart Home where speakers are becoming more commonplace.	Ø160*64mm
	SPKR.6.4.A	Our 4-Ohm 6-inch round dual-cone, full range high sensitivity speaker series provide distortion-free audio, high fidelity, high power handling and is a low-cost solution for car, truck, and RV applications. It is also primed for IoT applications such as Smart Home where speakers are becoming more commonplace.	Ø160*64mm
	SPKA.46.8.A	Our 8 Ohm 4 x 6 inch coax-speaker series are perfect and cost-effective solutions to reproduce a full range sounds in your car or home Hi-Fi audio system.	158*107*56mm
	SPKA.46.8.B	Our 8 Ohm 4 x 6 inch coax-speaker series are perfect and cost effective solutions to reproduce a full range sounds in your car or home Hi-Fi audio system.	158*107*56mm

SPKM Series

Specifications:

- Easy to integrate
- Superior performance
- RoHs * Reach compliant
- Fully reliability tested
- RoHs & Reach compliant
- High power ratings

Typical Applications:

- IoT Devices
- Alarm Systems
- Smart Home Automation
- Toys

SPKM Series			
	Product number	Description	Dimensions
	SPKM.10.8.A	Dynamic Miniature Speaker Unit 10mm - 8OHM 20mm 32AWG Cable	Ø10mm
	SPKM.15.8.A	Dynamic Miniature Speaker Unit 15mm - 8OHM 28mm 32AWG Cable	Ø15mm
	SPKM.17.8.A	Dynamic Miniature Speaker Unit 17mm - 8OHM 35mm 32AWG Cable	Ø17mm
	SPKM.20.8.A	Dynamic Miniature Speaker Unit 20mm - 8OHM 35mm 32AWG Cable	Ø20mm
	SPKM.2030.8.A	Dynamic Miniature Speaker Unit 20x30mm - 8OHM 35mm 32AWG Cable	20*30mm
	SPKM.23.8.A	Dynamic Miniature Speaker Unit 23mm - 8OHM 35mm 32AWG Cable	Ø23mm
	SPKM.2413.8.A	Dynamic Miniature Speaker Unit 24x13mm - 8OHM 40mm 32AWG Cable	24*13mm
	SPKM.28.8.A	Dynamic Miniature Speaker Unit 28mm - 8OHM 37mm 32AWG Cable	Ø28mm
	SPKM.289.8.A	Dynamic Miniature Speaker Unit 28x9mm - 8OHM 28mm 32AWG Cable	28*9mm
	SPKM.50.8.A	Dynamic Miniature Speaker Unit 50mm Diameter - 8OHM 50mm 30AWG Cable	Ø50mm
