

Datasheet

DVB-T(UHF Band IV/V)

DVB 4779 FL

Pt no.

920 359-002

- Self adhesive film antenna for TV reception (DVB-T/DVB-T2) with amplifier
- Especially designed for mounting on rear car window glass

Subject to alterations

Technical data

Dimensions film	256 x 36 mm / 10.08 x 1.42 in.
Dimensions amplifier housing	56 x 27 mm / 2.2 x 1.06 in.
Operating temperature range	-40 - +85 °C / -40 - 185 °F
Frequency range	470 - 862 MHz
DC voltage	5 ±0,5 V
DC current	50 ±10 mA
Gain of LNA amplification	typ. 20 dB
Impedance	50 Ohm
Noise figure	1.4 dB
OIP 3	135 dBμV
Cable type	RG 174
Cable length	5000 +50 mm / 197 +2 in.
Connector	F-connector acc. IEC 169-24

Remark

Any potential discoloration of the antenna caused by material properties and do not constitute a lack of quality
