NEW! PRODUCT LINE

PREMIUM QUALITY BOARD LEVEL CONNECTORS New HDMI connectors from Switchcraft® offer reliable quality in 4 versatile designs. Compatible with standard HDMI Type A connectors, these receptacles feature premium materials and a robust design, while unique vertical mount styles provide space savings to solve common design challenges. Item RAVHD19ETR offers extra RF/EMI protection and a minimum of 10,000 insertion withdrawal cycles for the most critical applications.

VERSATILE DESIGNS

4 designs, including vertical mount, an optional mounting flange, and an option for extra RF/EMI protection, offer solutions to many common design challenges

EASY TO INTEGRATE

These connectors are packaged on tape & reel or in pick and place trays for easy installation and work as replacements for some commonly used connectors

SWITCHCRAFT QUALITY

Switchcraft HDMI connectors are built to the highest quality standards, use premium materials, and meet all applicable HDMI v2.0 specifications
